Minutes of 5/31/05 were read and approved.

Fashion Show was a success along with the Sounds of Swing.

Mary Jo Hobbs donated money to have the neon put on our Roxy sign.

July 5<sup>th</sup> Barb is meeting with a Tax consultant.

The Federal grant money from HUD is requiring that the office of Archaeology & Historic Preservation review the Roxy project. We cannot do anything to the Roxy until the state office reviews what we plan on doing. Steve will set up a meeting with them and any one who can make the meeting is encouraged to attend.

Charlotte and Brian went to Yakima and looked at the stuff that guy had over there. There is a lot of stuff, lights, spot lights, and smoke and fog machine. There is also a '85 Ford truck with a stage so you could have your own traveling show.

Children's Theater has 20 kids participating and will be doing the play "How to eat like a child" on July 30 & 31 at the Roxy.
